Join a unique entrepreneurial innovation space in the heart of downtown Montreal

We foster connections among key players in the business world to create an ecosystem that is conducive to entrepreneurship and success.

We help new and innovative companies during their start-up and growth phases so that they can prosper.

We have cultivated a strong and dynamic community, where innovative ideas spring to life.

Our vision

Ax-C is the ideal destination for creating innovative solutions to meet the needs of industry, markets and society as a whole.

Our mission

To provide high-growth potential technology startups with an inspiring, inclusive and world-class space to grow. To bring together key players within a unique ecosystem for the stimulation, support and commercialization of innovations, both locally and internationally.

10 good reasons to join Ax-C

1. Be part of a unique international community and experience in Quebec.
2. Be located at the heart of innovation in downtown Montreal and close to several university, technology and financial partners.
3. Stimulate the resolution of tomorrow's challenges and propel the creation of solutions and startups for tomorrow's industrial challenges.
4. Access talent and boost intrapreneurship.
5. Explore new ways of working to improve agility and remove internal obstacles to growth and inspiration.
6. Accelerate innovation cycles and collaborate in an open innovation mode with the ecosystem.
7. Be a forerunner of technological trends to ensure the company's longevity.
8. Have privileged access to testing facilities and laboratories within the hub and with our city and regional partners
9. Share risks, gains and best practices among ecosystem members.
10. Create economic, environmental and societal value for Quebec and Canada.
